2009 EITF European Taekwon-Do Championship

XXIV. Adult, XV. Junior and I. Veteran EITF EUROPEAN Taekwon-Do Championship

EITF European Taekwon Do Championships were held this year in the small, but beautiful country Slovenia. Organised between the old towns of Zrece and Slovenjske Konjice.

ITF England members once again continued to prove themselves more than a match on the International stage and gave our country one of the most successful results in recent years.

A huge large haul of medals include many Gold's pushed

England to finish fourth place overall. With Our Veterans taking Best Country in the 1st Veteran European Championship.

All the Team at ITF England would like to congratulate not only all the medallists, but also all of you that played an extra part in this success, with your hard work and additional efforts;

Mr Alan Clark 6th Dan
ITF England Head Coach

Mr Philip Taverner 5th Dan
ITF England International Coach

Carrie Procter
ITF England Secretary

All the team captains, you all did a fantastic job.

The Veterans for winning the Overall.

All the Seniors.

All the Juniors.

And of course the parents for coming out and supporting us!

ITF ENGLAND

We are the only organised body in England recognised by the International Taekwon-Do Federation (ITF) and European ITF, for competition and representation by English ITF Taekwon-Do Practitioners on the World and European Stage.

Training is open to all licenced students from associated member groups. You must be aged 12 years or over and graded 3rd Kup and above. You do not have to compete at International Events if you do not want to, you can just train with us. If however you are keen to get to an International Event make sure you read the guidelines on our website carefully to avoid disappointment.

All dates for this years calendar can be found on the 'Dates' page of our website, www.itf-England.co.uk

ITF England Funds

Following our recent success at this years European Championships we must turn our attention to raising essential funding within ITF England. With this in mind we have already been very proactive by arranging self defence sessions in the Surrey and Crawley areas which will be conducted by Mr Taverner 5th Dan, more information can be found on the website. We are also considering a colour belt team tournament which all ITF England members will be requested to attend and officiate on

the day, along with raising our profile at this years English Open Championships. Look out for DVD's and photographs of the European Championships that will be on sale at the English Championships which we hope will not only raise awareness but also increase our funds.

Any suggestions are very welcome but please be reminded any fundraising event will require your support.

Easy Fundraising Online

Register now and start raising funds for the ITF England, its simple and we receive cheques, the more of you who use this search engine the more saving we can offer within the school. Simply enter www.easyfundraising.org.uk

register with **ITF England** (spell it correctly or you will have to search) and save this as your homepage, each time you search on this site it raises funds for us. Mr Taverner has been using this for the Exeter School and they receive approximately £30.00 each

quarter along with receiving additional donations when shopping on line through the search engine, for those of you who do use the internet this is a fun simple safe way of raising money.
